Envirodoks features films about nature and the environment. Guest speakers from Citizens' Climate Education will conduct post-screening discussions on select dates. Citizens' Climate Education empowers constituents to educate elected officials about climate change—and pathways to a clean, livable future.

## AN INCONVENIENT SEQUEL: TRUTH TO POWER

THURS, SEP 7 AT 7:30 PM & SAT, SEP 16 AT 10:30 AM

A decade after *An Inconvenient Truth* brought climate change into the heart of popular culture comes the riveting and rousing follow-up that shows just how close we are to a real energy revolution. Al Gore continues his tireless fight, traveling around the world training an army of climate champions and influencing international climate policy.

## ROOTED IN PEACE

THURS, SEP 21 AT 7:30 PM & SAT, SEP 30 AT 10:30 AM

Hollywood's award-winning green filmmaker, Greg Reitman, takes us on a cinematic journey that challenges viewers to examine their values as Americans and as human beings. Today we are at war among ourselves, with our environment, with our planet, and with the world, and it's up to each of us to make peace, stop the cycle of violence, and seek ways to find personal and ecological peace.

## CHASING CORAL

TUES, OCT 24 AT 7:30 PM & SAT, NOV 4 AT 10:30 AM

Coral reefs around the world are vanishing at an unprecedented rate. A team of divers, photographers, and scientists set out on a thrilling ocean adventure to discover why and to reveal the underwater mystery to the world.

## THE AGE OF CONSEQUENCES

SAT, NOV 18 AT 10:30 AM & TUES, NOV 28 AT 7:30 PM

*The Hurt Locker* meets *An Inconvenient Truth* in THE AGE OF CONSEQUENCES, which investigates the impacts of climate change on increased resource scarcity, migration, and conflict through the lens of US national security and global stability. Through unflinching case-study analysis, distinguished admirals, generals, and military veterans take us beyond the headlines of the conflict in Syria, the social unrest of the Arab Spring, the rise of radicalized groups like ISIS, and the European refugee crisis, and lay bare how climate change stressors interact with societal tensions sparking conflict.
